SMALL ENTITY FEE CORRECTION FORM

Filing of Small Entity Statement

1. On or about February 1, 1992 a small entity assertion was filed in this patent.
2. The assertion of small entity status in this application and the payment of fees as a small entity were made in good faith.
3. It has now been discovered that the assertion of small entity status may have been incorrect as of June 1, 2000. In an abundance of caution and to eliminate any possible concerns and/or potential allegations regarding the appropriateness of any issue and/or maintenance fee paid as a small entity, I am submitting this notification and payment detailed below.
